

# Title of minisymposium

The First Organizer <sup>1</sup>, The Second One<sup>2</sup>

<sup>1</sup>University A

<sup>2</sup>University B

email@mail.com

Here is a place to put a short description of your minisymposium. You can use math and references.

## References

- [1] A.U. Thor and S. Author, Title of book, publisher, year.
- [2] A.U. Thor and S. Author, Title of article, journal, volume(number):pages, year.

*Below you put a list of speakers (with affiliations) and all abstracts of the individual presentations. Please, do not forget to make sure that participants of your symposium know that they can have a talk only in one minisymposium.*

## Speakers of the minisymposium:

1. Speaker (Affiliation)
2. Speaker (Affiliation)
3. Speaker (Affiliation)
4. Speaker (Affiliation)

## Title of the first presentation

Author

author@mail.com

University C

Abstract of the first talk. You can use math and references in a simple format, i.e.

## References
